

Strategies for practising spellings at home

Look, say, cover, write, check

Look at the word, say it to yourself, cover it up, have a go at writing it and then check it.

Cut it up!

Cut your words up into sounds. You could write the different sounds in different colours to make them easier to see.

1 minute challenge

Challenge yourself to write a spelling as many times as you can, correctly in a minute.

Pyramid

Make a pyramid using a word. Add another letter on each new line. Great for those longer spellings.
