Year 5 Maths Workshop

Dear Parents/Carers,

Year 5 would like to invite you to attend a re-scheduled 'Maths Workshop' which will give you the opportunity to experience some reasoning and problem-solving puzzles with your child.

Throughout the workshop there will be hints and tips in order to help and assist your child during the afternoon and also at home.

At the end of the afternoon, you will leave with a selection of activities that you will be able to complete with your child at home.

Workshops will take place during the afternoon from 1:30pm-3pm in the large hall, on **Monday, 24th June 2024**.

Due to numbers and hall space, we ask that only one adult per child attend the workshop. Unfortunately, due to health and safety, we also ask that no siblings or other children attend.

Please log onto your child's ParentPay account to let us know that you will be attending by **Thursday, 20th June 2024**, in order for teachers to be able to accommodate all of those who wish to attend.

Apologies for the short notice.

We look forward to seeing you.

Many thanks for your continued support

Year 5 Team
