Tuesday 15th October 2024

Dear Parents and Carers

Year 6 Outdoor Activities – W/C 4th November 2024

All Year 6 children who are not going to Plas Gwynant will be taking part in Outdoor Activities (Forest School) as part of our activity programme for that week. Activities will include outdoor learning led by a qualified practitioner, working with hand tools and small fires. Sessions will last for a half day and children will be in small groups to allow them a focused and enriching experience.

Your child will be taking part in Forest School on either Monday 4th or Wednesday 6th November 2024.

It is recommended that all children have the following kit in school on these days:

- A spare pair of Boots or waterproof footwear
- Long trousers or joggers
- A long - sleeved top
- Hat and gloves
- Additional clothing - weather appropriate, children will need layers to keep warm
- Waterproof Coat

Please do not go to any additional expense, these should be old clothes that you don't mind getting dirty.

Children need to arrive at school in their old clothes and bring their uniform to school in a bag to change into following the Outdoor Activities. **Please ensure that you send your child in with spare footwear as without these your child will be unable to take part.**

Please read all the information on the website link below and log onto ParentPay to give your consent by Friday 18th October 2024 to allow your child to take part.
