Roarsome day!

Dinosaurs roam

T-REX

What a fantastic day Reception had on Dinosaur Day! Everyone dressed up in dinosaur clothing or costumes, it was really roarsome.

Mr Edwards told the teachers that he had spotted something unusual on the cctv! There was a T-Rex in our playground! The children were very excited to explore outside, looking for signs of the dinosaur. They found huge footprints on the ground and some ice eggs with baby dinosaurs inside!

We had the best day, doing dinosaur crafts, dancing the Dinosaur Bop and hiding dinosaurs in the garden, taking photos on the ipads and then our friends had to find where they were hiding. What a great way to finish our topic.

Thanks to Miss Harwood for the story!
