Friday 3rd May 2024

Dear Parents and Carers,

Welcome to Abbey!

I am really looking forward to welcoming you to our school. We've put together a pack and it will be printed out for you to collect when you attend our Induction Morning. It can be found on the website link - <https://www.abbeyfederation.co.uk/new-reception-parents-information/>

The information can also be shared with your child (carefully selecting the more child friendly parts!) and we encourage you to start to talk about September.

We will be inviting you to an induction morning on Wednesday 3rd July and more information about the specific slot will be found on the website link above.

By providing this pack, we hope that it will answer many of your questions.

At the induction session we'll be inviting you to come with your child and spend a time exploring the classrooms and the outdoor areas; meet the staff and help your child say hello to their school.

Part of this session will involve story time where your child will stay with an adult whilst you get the opportunity to meet the Reception teachers and my Assistant Head who leads early years, Miss Harwood. This will be a bit more detail about those early days at school, induction in September and how our curriculum is taught.

Your child will start over two days, Wednesday 4th and Thursday 5th September; by Friday 6th September all children will be in and full-time. Further details about your child's start date will follow towards the end of term.

I look forward to seeing you at our induction day.

Yours Sincerely,

Dr R Kentish
Executive Head Teacher
