Dear Parents/Carers,

Children in Year 1 have been issued with login details for **SpellingFrame.co.uk**. Please stick inside the front cover of your child's reading diary for safe keeping. Spelling Frame is a free-to-use website and is a brilliant tool to help support your child's spelling at home. It can be accessed either on a computer, tablet or phone and is very user-friendly. Years 2-6 are already making use of Spelling Frame and we would like Year 1 to be part of the process.

Pupils can choose from a range of activities to help them learn their spellings and develop increasing independence. When ready, they can play a game with those words or take a spelling check to see how they are doing.

Once logged in you will need to select 'Go To Test'. This will then take you to a range of games and activities that your child can access to help them learn their spellings.

We hope that you find this a useful resource in helping your child with their spellings.

Yours sincerely,

Year 1 Team.
