Tuesday 16th April 2024

Dear Parents and Carers,

Year 6 Topic Workshops: 20th May and 4th June 2024

As part of our topic for the Summer term - 'It's Showtime' - we have organised for the children to take part in two different workshops to enrich their learning. These workshops will give children the opportunity to learn about a variety of performance styles in a fun and practical way, as well as build team work, perseverance and confidence.

The first workshop will be on the **20th May 2024** and will be circus themed. Children will be learning how to use a range of equipment, including: diabolo, spinning plates, balance boards, juggling balls and devil sticks. The day will consist of a performance from the instructor, a workshop with each of the classes and an opportunity to perform their new skills to the year group at the end of the day.

The second workshop will be on the **4th June 2024**, and will be a dance workshop based on performances from around the world. Children will have the opportunity to learn a routine based on either **Greek Dance, Chinese Dance or English Maypole dancing**. Each class will focus on a different country, and will have the opportunity to use large props. At the end of the session, the whole year group will get a chance to learn a Bhangra routine together.

We are asking for a combined total of £12.13p per child for both workshops. If you would like your child to take part, please log on to ParentPay by Monday 6th May 2024.

Thank you for your continued support.

Yours sincerely,

Year 6 teachers
