Friday 23rd October 2015

Dear Year 3 Parents,

We are trialing an exciting 'Year 3 on-line message page' to encourage an on-going conversation with children, parents and school focusing on learning. There are links below and QR codes to help you find this page.

We would like to see if our children enjoy the idea of posting messages and developing communication skills about the topics and areas of study we are looking at within Year 3.

It is part of our web-site and is publicly viewable. Posts that children make will not appear on the public world wide web until they have been approved. Children can post and edit their own comments only. Comments and posts will be moderated and checked by staff.

This is a brand new idea for us, Y3 are the only year group trying this out. We are excited to see how this develops....could be great! Have a super half-term!

Year 3 thoughts

Please add comments about your day. What new things have you learnt? Can you answer some of the challenges on our Padlet board?

Here's a holiday challenge from Dr K.
Can you solve this brain teaser?

Circle sums

1. Use each of the digits 1 to 5 once.
Replace each letter by one of the digits.
Make the total in each circle the same.

2. Now use each of the digits 1 to 7 once.
Make the total in each circle the same.

3. What if you used five circles and the digits 1 to 9?

How fast can you recall your times tables? Record your responses. Last year children could recall them in less than 7 seconds!

Hi year 3 you have been learning about nouns, adjectives and adverbs. Can you write some amazing sentences for us? Add a photo of yourself if you are allowed thinking hard or you reading it in your best expressive voice.

Hello
Welcome to Year 3's thought board. This is your opportunity to share your wonderful ideas with the rest of the world. How exciting!
You can put photos, voices on and videos on.

Yours sincerely

The Year 3 team.
