He only does things on his own behalf,

## **Group 1**

We wish him well on his lonely path,

## **Groups 1 & 2**

A toast to Ebenezer Scrooge!

## **Group 1**

- 2 Now who'd have thought he could cause such mirth

## **Group 2**

Of all the creatures crawling on the earth,

## **Group 1**

We wish him well and for what it's worth

## **Groups 1 & 2**

A toast to Ebenezer Scrooge!

## **Scrooge solo**

**BRIDGE** Spirit, it's all too clear,  
Look how they mock and jeer.  
How have I come to this?  
Have I been so remiss?  
I'll make a brand-new start,  
I'll give with all my heart  
Everything that I am,  
I'll be a better man.
