## Safe!

Learning to cross the road

### STOP, LOOK & LISTEN

Year 1 children at Abbey had the help of Sandwell and have just completed a fantastic road safety program that's got everyone buzzing! These little learners were treated to a fun-filled session where they mastered the catchy "Stop, look and listen, and think before you cross the street" song. It's a tune that'll stick in their heads and keep them safe for years to come!

The youngsters even got hands-on practice at the zebra crossing between their school buildings, learning how to use designated crossings like pros. And to take home, each student received a cool activity pack packed with fun educational goodies. Parents are being urged to keep up the good work by practicing road safety with their kids. Thanks to Sandwell, Abbey and our volunteer helpers, these kids are now road safety
