From the past to blast off!

VICTORIAN DAY

Year 1 pupils donned their finest Victorian attire for a thrilling Victorian Day, transporting themselves back to the 19th century!

With bonnets and waistcoats, the children embraced the past, engaging in lessons just like their Victorian counterparts. Armed with chalk, they practised their writing skills, giggling at the novelty of it all.

The excitement didn't end there! Pupils also rolled up their sleeves to create traditional toys, including spinning toys and the cup and ball game, discovering the joys of play from a bygone era.

With smiles and laughter echoing through the corridor, Year 1's Victorian Day was a resounding success, igniting a love for learning among the young adventurers!

KIDS BLAST OFF INTO SPACE AT WONDER DOME

Excitement soared as pupils at our school experienced the Wonder Dome, a fantastic small planetarium!

Inside this magical dome, children were treated to captivating presentations and fascinating facts about the solar system. Our astronauts in training were absolutely thrilled, revelling in the sensation of being in outer space!

"This is the best day ever!" shouted one enthusiastic pupil, while others shared wide-eyed wonder as they learned about stars, planets, and galaxies.

The Wonder Dome proved to be the perfect launchpad for their new topic, sparking curiosity and joy that continues to shine bright in the classroom.
