PARK RUN

Congratulations to Edie & Suzi from Year 4 who braved the freezing temperatures to complete their first Junior Parkrun this January. Both girls ran & walked with their parents to complete the 2km course and are eager to do it again!

It's super easy for parents / carers to register via the Junior Parkrun website: <https://www.parkrun.com/about/join-us/junior-parkrun/>.

Wow! Well done Edie and Suzi, what a brilliant achievement! Thanks to Holly (Edie's Mum) for the story.

JUNGLE FEVER

The reception classrooms of Abbey Infant School transformed into a jungle paradise as reception parents joined their children for the much-anticipated "Let's Do It Day!"

Armed with feathers, card and all sorts of crafty materials, families unleashed their imaginations to create stunning jungle masks. Laughter echoed through the classrooms as children proudly showcased their colourful creations, from roaring lions to cheeky monkeys!

The event not only sparked creativity but also strengthened the bond between parents and pupils, making memories that will last a lifetime.
