## Football fever!

Biggest ever session

### SCORE

Two weeks ago, 12 plucky Year 5 and 6 girls from Abbey's school squad stormed the pitch at West Bromwich Albion, joining the Biggest Ever Football Session 2025. This national event, held just before International Women's Day, saw thousands of girls across the UK unite in their love for football.

The Abbey team played a series of thrilling matches against other schools, showcasing their skills and teamwork. But it wasn't all about competition – they also enjoyed a range of fun football games designed to inspire and empower young players.

As part of the FA's initiative to boost girls' participation in football, the event highlighted the importance of inclusivity and equality in sports. With England legends like Rachel Yankey and Steph Houghton leading the charge, these young stars are certainly made for this game!
