Flamingo frenzy!

Year 4 Zoo

MONKEY MAYHEM

Abbey's Year 4 pupils had an unforgettable day out at Dudley Zoo this week, packed with laughs, surprises, and a few animal antics!

The trip kicked off with the flamingos, who left everyone giggling as they balanced on one leg for so long that some children thought they had no legs at all! Things got even funnier when the class noticed the flamingos' rather messy habit — they seemed to be having a wee every second!

Next up, the adorable capybara stole hearts by doing absolutely nothing. Despite its lack of activity, everyone agreed it was the cutest creature in the zoo. The highlight for many, though, was the amazing anteater, which wowed the group with its long tongue and unusual looks.

Over in the primate enclosure, the spider monkeys had everyone in stitches as they dashed about, swinging and being their silliest selves.

The only drama of the day came when Ayaan, distracted by all the excitement, accidentally ran into a pole — but thankfully he bounced right back and laughed it off.

It was a wild adventure the Year 4 children won't be forgetting anytime soon!
