Competition!

Ho Ho Ho!

CARD

Move over Santa—there’s a new festive star in town! Dr K, , has announced a dazzling Christmas card design competition, and the stakes couldn’t be higher.

Pupils are invited to unleash their imaginations and dream up designs that sparkle with either traditional magic or modern festive flair. Think snowflakes and holly... or maybe neon lights and robots in Santa hats!

The winning masterpiece will become the school’s official Christmas card—printed, shared, and celebrated far and wide. Dr K says he’s “looking for imagination, originality, and a good dose of festive joy.”

Entries close soon, so grab your pencils, paints, or digital tools and get designing. Who will be crowned this year’s Christmas Card Champion?

P.S - it doesn’t have to be a ‘traditional card’ - be creative.
