COMMUNITY CELEBRATION

Abbey pupils proved once again that nothing can hold them back — not the cold, not the rain, and certainly not the competition!

Over the weekend, young Mohan took the spotlight after clinching the British West Midlands Muay Thai title, showing everyone what true grit looks like. After years of early mornings, late-night training sessions, and sheer determination, Mohan's skills shone through in all three rounds. Every kick, block, and strike showed the hard work he's poured into his favourite sport. What a knockout performance!

Meanwhile, classmates Theo, Idris, Hazel, and Edith took on a completely different challenge — trading boxing gloves for hiking boots as they braved a 17.5k charity walk around Birmingham. The fearless foursome battled rain and wind in the Walk for Wellbeing, raising an impressive £300 for Hospitality Action. With smiles on their faces and not a single complaint, they motivated others along the way, proving that Abbey pupils have just as much heart as they do stamina.

From Muay Thai victories to marathon kindness, our Abbey superstars have shown that teamwork, perseverance, and compassion truly make champions. We couldn't be prouder of each and every one of them.

From all of us at Abbey— wishing our families a joyful, restful, and very Merry Christmas! A fantastic end to 2025
