TARTAN

Bigger, brighter, bolder – the latest workshop has families buzzing!

Children in Year 2 carefully chose colours to match their family's unique personalities, from calm and gentle shades to bright, joyful tones.

Parents and carers threw themselves into the creative fun, loving the chance to work side-by-side with their children on a beautiful shared piece of weaving.

Together, they chatted, laughed and experimented with patterns, turning simple strands into a stunning family tartan. This was creativity, connection and colour all woven into one unforgettable session.

Thanks to Mrs. Johnson for the story.
