Science thriller!

Y2 themed day.

SKITTLES

Year 2 transformed into scientists for a spine-chilling Halloween extravaganza, unleashing spooky experiments that left jaws on the floor.

They whipped up bubbling witches' brews, ghost spiders that crawled to life, lively lava lamps, rainbow Skittles magic and fizzy ghosts that erupted everywhere.

Diving hands-on into the mayhem, gasping as everyday ingredients like baking soda and vinegar conjured mind-blowing illusions right before their eyes.

Crafting table-sized fizzy ghosts that foamed over in messy glorious monster mash - screams, splatters and non-stop giggles!

A brew-tiful blast of science and scares no one will forget.
