Monday 2nd February 2026

Dear Parents/Carers,

As part of our Imaginary World topic we have been completing lots of map work that we now would like the children to experience in the real world. They will do this in the form of a trail around Warley Woods where there will be field work activities to be completed as well as learning a little bit more about the area we live in.

In addition to following the Warley Woods History Trail, children will work together in accompanied groups, in order to enhance not only team-building skills, but also to use a classification key, identifying the different varieties of trees in the woods.

This memorable experience will take place on

4V - Monday 16th March 2026

4S – Tuesday 17th March 2026

4A – Wednesday 18th March 2026

However, as the weather at this time of year is unpredictable, it is possible that we may have to delay the event until later in the week.

Children will need coat and a change of shoes suitable for a walk around the woods.

Yours faithfully,

Year 4 Team
