SEWN UP

The classroom was transformed into a hero headquarters as children designed and created their own superhero capes with the help of their very enthusiastic parents and carers.

Bright colours, bold symbols and unique patterns turned each cape into a one-of-a-kind power outfit.

The children loved watching their ideas leap off the page and onto real fabric as their designs came to life.

The best part came at the end, when they strutted, posed and swooshed around the room, proudly modelling their superhero capes like stars on a red carpet.

Thanks to Miss Gill for the story.
