Friday 20<sup>th</sup> March 2026

Dear Parents and Carers,

On Wednesday 22nd April, we will be celebrating Earth Day across the school.

This year, our theme is “Our Planet, Our Future”, and each class will be taking part in a range of eco-themed activities designed to help children understand how they can care for the world around them.

To help mark the occasion, children are invited to come to school wearing green or earth-inspired clothing. This could include colours such as green, blue, or brown, or outfits inspired by nature.

However, if your child would feel more comfortable in their school uniform, they are very welcome to wear this as usual.

As part of our focus on sustainability and our message of reduce, reuse, recycle, we kindly ask that you do not feel the need to purchase anything new for this day. We encourage children to make use of items they already own.

We are looking forward to a fun and meaningful day of learning and would like to thank you for your continued support.

Yours sincerely,

Ms S M Collins

School Business Director

Executive Head Teacher’s PA
