Year 5 Maths Workshop

Dear Parents/Carers,

Year 5 would like to invite you to attend a 'Maths Workshop' which will give you the opportunity to experience some reasoning and problem-solving puzzles with your child.

Throughout the workshop there will be hints and tips in order to help and assist your child during the afternoon and also at home.

At the end of the afternoon, you will leave with a selection of activities that you will be able to complete with your child at home.

Workshops will take place during the afternoon from 1:30pm-3pm in the large hall, on the following days:

Wednesday 17th June (5S), Thursday 18th June (5M) and Friday 19th June (5P).

Due to numbers and hall space, we ask that only one adult per child attend the workshop. Unfortunately, due to health and safety, we also ask that no siblings or other children attend.

Please log onto your child's ParentPay account to let us know that you will be attending by **Monday 18th May 2026**, in order for teachers to be able to accommodate all of those who wish to attend.

We look forward to seeing you.

Many thanks for your continued support
