Dear Parents and Carers,

We are writing to remind you about safe drop-off arrangements at the Warley Woods gate.

Despite previous communication, we are still seeing groups of adults gathering directly outside the gate. This is creating congestion and, most importantly, causing some children to step into the road to get past, which is a serious safety concern.

When waiting at drop-off time, please:

Use the drive area (accessible via the side gate), or stand along the wall, keeping the entrance clear.

The bottom gate must remain closed, as it has been used for turning vehicles, which is unsafe during busy periods.

We kindly ask that you avoid gathering in groups and remain mindful of keeping pathways clear. Small changes in where you stand will make a significant difference in keeping all children safe.

Thank you for your continued support in helping us maintain a safe environment for everyone.

Kind regards,

Dr Kentish
Executive Head Teacher
