Thursday 15th October 2026

Dear Parents and Carers,

As part of our Design Technology work, the children in Year 4 will be developing their skills in using a range of stitches.

We would like to invite you to come in and help your child to create a stuffed hanging decoration. Given the time of year, this could be Christmas themed or not. We will have thread, needles and felt available for your use but to tie in with our 'Planet Protectors Topic' we invite you to bring any fabric, trims, buttons or accessories that you would like to recycle and re-use to help create your decoration.

For health and safety reasons, we kindly ask that only one parent or carer attend per child for this workshop. Unfortunately, other children cannot attend, unless they are under six months old or being Breastfed. We really appreciate your understanding and support with this, as it helps ensure that each child has the full attention of the adult attending and that the workshop runs smoothly without distraction.

To avoid disappointment, please be aware that should more than one adult per child arrive, or they arrive with a child, they will be refused entry.

The dates for the workshops are as follows; **Tuesday 1st December (4P), Wednesday 2nd December (4M) and Thursday 3rd December (4S). All of the workshops will start at 1.45pm.**

Please log onto your child's ParentPay account to let us know that you will be attending by **Thursday 12th November 2026** in order for the teachers to be able to accommodate all of those who wish to attend.

Yours sincerely

Ms S M Collins

School Business Director
