Cakes, Cereal and Community Spirit

Earlier this month, our school community served up a wonderful helping of **kindness**, with two fantastic efforts to support others - and plenty of fun along the way!

SWEET TREATS FOR MACMILLAN

Our staff brought in cakes and bought tasty treats from one another, raising £59.50 for Macmillan Cancer Support. What a lovely excuse to enjoy a nice treat or two!

Macmillan helps people living with cancer and their loved ones by providing emotional, practical and financial support when they need it most. A huge thank you to everyone who contributed cakes, bought a treat and helped support this important cause.

A CEREAL-OUSLY GENEROUS DONATION!

Our children and families donated an incredible 386 boxes of cereal to St Mary's Pantry, which supports local families who need a little extra help with food.

The children also had a brilliant time watching the boxes tumble down in a giant game of cereal-box dominoes! It was a fun way to celebrate an amazing collection before the cereal went on to help others.

Community pantries such as St Mary's help local households access affordable food, making everyday essentials a little easier to manage.

A HUGE THANK YOU!

To all our families and staff: thank you for your generosity, enthusiasm and support. Whether you sent in cereal, brought along cakes or bought something delicious, you helped our school make a difference. We are so proud of the community spirit you have shown!
