Sculpture

ART OUTDOORS

Abbey's Year 4 turned Warley Woods into an outdoor art studio as pupils worked together to create sculptures.

"We all worked together to build loads of different things that made a sculpture," said Theo.

Finding materials proved just as exciting as building! One leaf revealed funny little bugs, while a really big rock caused an unexpected tumble. Pulling it from the ground sent one pupil falling backwards, just like a scene from The Enormous Turnip!

Children thought finding so many different things was cool, and teamwork helped bring their woodland creations to life.

Their Trip Advisor-style verdict? Nine out of ten! The only reason it wasn't a perfect score was having to take everything apart afterwards. What a woodland wonder!

Thanks to 4M for the story and pictures.
