BLUE TO YELLOW!

Mental Health

A STITCH IN TIME

Abbey celebrated 'Hello Yellow' with a big message: no young person should feel alone with their mental health.

The school backed YoungMinds' annual campaign, which raised awareness and funds for young people's mental health, putting this important cause in the spotlight.

The message behind the celebrations went beyond a cheerful colour. Hello Yellow championed support for young people and highlighted the importance of being there for one another.

By celebrating and promoting the campaign, Abbey helped spread a powerful reminder: mental health mattered, and nobody had to face their worries alone.

FOOTBALL HISTORY

Emme and Daya, from 3G, and Sofia, from Year 1, have helped make history as part of Halesowen Colts' first-ever under-eights girls' team.

The girls have been attending the club's Saturday morning Wildcats sessions, which are designed to encourage girls to get into football. As the players improved, the club decided to form a team and enter them into a league.

On Saturday, the team played their first match, with Emme, Daya and Sophia getting stuck in, working together and supporting their teammates. Their proud families watched as the girls put their skills into practice.

To top off the occasion, Daya was named the Referee's Player of the Match.

Thanks to parents for the story!

[Ed] - Magnificent and we are really proud of you!
