SOUPER STARS!

Y5 Cooking

BOILING

Year 5 pupils at Abbey proved they were **souperstars** when they cooked carrot soup with croutons!

The young chefs peeled and chopped onion and garlic before putting them on to cook with a little oil.

Next, they chopped carrots into pieces and boiled them with a stock cube until soft. They then blended the mixture into soup, ready to enjoy with croutons.

The cooking session earned a sizzling verdict from pupils: "10/10 because it was fun!"

Alongside the fun, they picked up a tasty new skill. By the end of the session, the budding cooks knew how to make carrot soup.
